# RM-9012C 

Remote microphone

Convenient paging to a maximum of 12 speaker zones.

## RM-9012C

## Remote Microphone

TOA RM-9012C Remote Microphone is designed to efficiently select desired speaker zones in a public address system and is easy to inter-face with different system by connecting the 12 dry contact control signals. By using the RM-9012C, up to 12 speaker zones for paging can be selected.

Depending on whether a Zone Selector button, or the All-Call button is pushed, message broadcast to all zones or individual zones can be achieved. Besides, a clear button is designed to clear all selection at one touch to facilitate easy operation and a tone chime function. LED beside each button shows the status of each zone and allows operator to understand situation of each zone at a glimpse. All in all, RM-9012C facilitates flexible zone paging and operation.
> Unidirectional electret condenser microphone with balanced audio output
> An all-call button for selecting all zones
> Clear button for clearing all zone selections
> Announcement to the selected zones out of a maximum of 12 zones
>1-tone chime function with swich setting
> LED indicator for each selector

Connection Example

Specifications

| Model | RM-9012C |
| :--- | :--- |
| Power Source | 24 VDC from AC adaptor AD-246 or the equivalent |
| Power Consumption | 80 mA or less |
| Audio Output | $0 \mathrm{dBV}, 600 \Omega$, transformer balanced, RJ45 connector |
| Distortion | $1 \%$ or less |
| Frequency Response | $100-20,000 \mathrm{~Hz}$ |
| S/N Ratio | 60 dB or more |
| Microphone | 12 chidirectional electret condenser microphone |
| Control Output open collector output, withstand voltage: 27VDC, control current: max 50 mA, (2) RJ45 connectors |  |
| Chime | 1 -tone chime, chime function with switch setting |
| Number of Keys | 12 zone selection keys, All call key, Clear key, Talk key |
| Volume Control | Microphone volume control |
| Operating Temperature | -10 to $+40{ }^{\circ} \mathrm{C}$ |
| Finish | ABS resin, Black |
| Dimensions $(\mathrm{W} \times \mathrm{H} \times \mathrm{D})$ | $190 \times 76.5 \times 215$ mm (Gooseneck microphone excluded) |
| Weight | 750 g |
| Option | AC Adaptor: AD-246 |
